

extra practice with Duo!

Research and prepare a traditional meal from a country where the language you are learning is spoken.

Select a movie in the language you are learning. Watch it with the subtitles on!

Write an original skit (between three and five minutes) in the language you are learning. Act it out, and don't forget to record!

Write a letter (one page or more) to your teacher in the language you are learning.

Create a travel plan visiting a country where the language you are learning is spoken. What do you do? What phrases do you need to use most?

Write a short story in the language you are learning. Illustrate the story and read it aloud to somebody at home!

Circle the activity you plan to complete from the list above.

plan

Write a couple of details about the work you will do!

reflect

Write about how your activity went.

duolingo lessons

Set a Duolingo goal and write it here. Did you achieve your goal?
