

game time: guess the word

description

You can play this game in a classroom, outdoor learning space, or anywhere! This is a great opportunity to practice language in a relaxed environment, make mistakes, and have fun together!

steps

- 1** Prepare a list of words for players to guess: a rabbit, a lamp, a plane, a pirate, any word!
- 2** Explain the rules of the game:
 - One person thinks, acts out or describes a word
 - Players ask questions until they guess the word: is it round? Is it alive? Do you have one in your house?
 - Players or teams get points each time they guess correctly. The player or team with the highest number of points wins.
- 3** Keep it fast-paced, with many opportunities for questions and answers. Encourage students to speak in the target language as much as possible.

protip

Brainstorm a list of sentence frames players can use to ask questions: Is it ____? Can it ____? Write them on the board so students can refer to them while asking questions.
