

what else can duolingo do for your class

FREE Professional Development

We provide PD designed specifically for language teachers. Check out schools.duolingo.com/professionaldev

Duolingo Stories

Learn through quirky dialogue between Duolingo characters. Check out duolingo.com/stories

Duolingo ABC

Learning to read is hard! We make it fun. With Duolingo ABC, children can learn foundational reading skills like phonics, handwriting, sight words, and vocabulary all through play. Check out duolingo.com/abc

Duolingo podcasts

Explore speech and culture with intriguing bilingual podcasts with real stories, designed for learners. Check out podcast.duolingo.com

Duolingo Math

Similar to the original Duolingo app, Duolingo Math uses gamification to help students strengthen their skills in math. All people can be math people when they use Duolingo Math. Check out duolingo.com/math

Duolingo English Test

With the Duolingo English Test, learners can demonstrate their language proficiency from anywhere in the world, at an affordable price. We guarantee results within two days and make sharing them simple. Check out englishtest.duolingo.com
