silly sentences

Mix up the Duolingo cards. Choose two randomly. Write a silly Duolingo sentence using the cards!

write a sentence

Write a sentence using a picture card, cut the sentence apart, mix it up, and build it again. Glue it onto a piece of paper and illustrate it!

explore a topic

Explore resources around the same theme as a picture card. What was the most interesting thing you learned?

word expert

Take a picture card, choose a word, and complete the Frayer Model.

write a story

Take a picture card, choose 5 words from the card, and write a story or a comic using the words you chose.

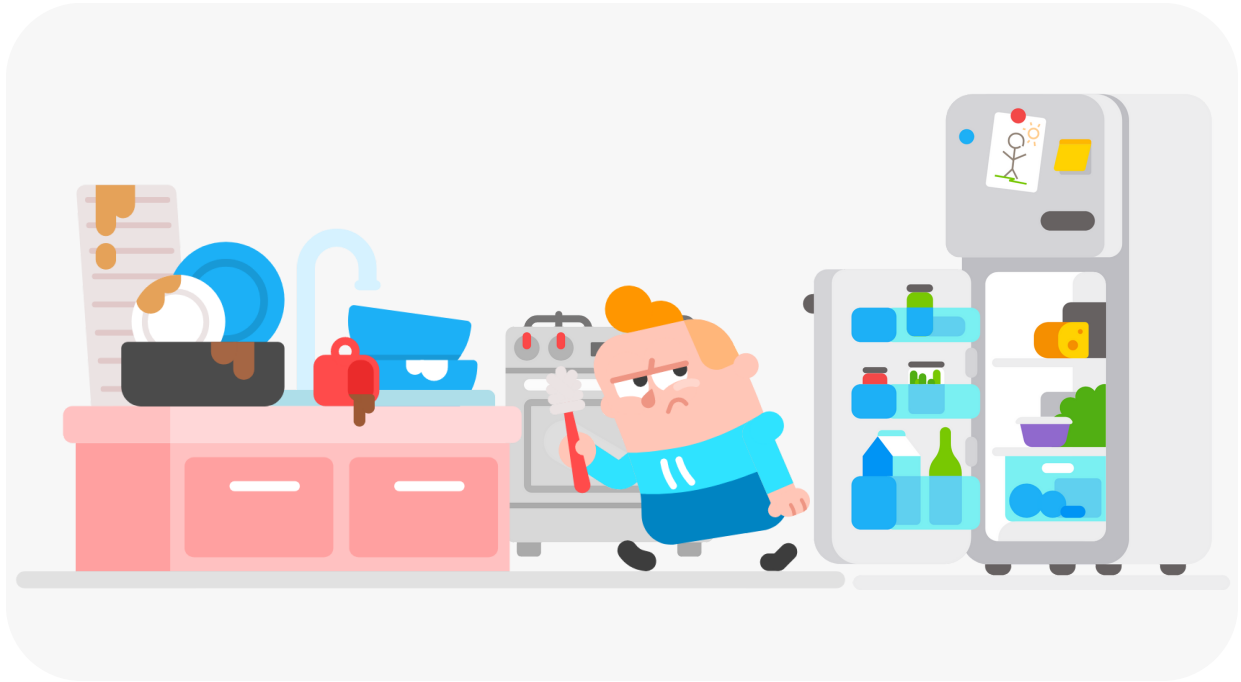

picture card

Label the picture and then use the words in a shared writing with a partner, group, or entire class.

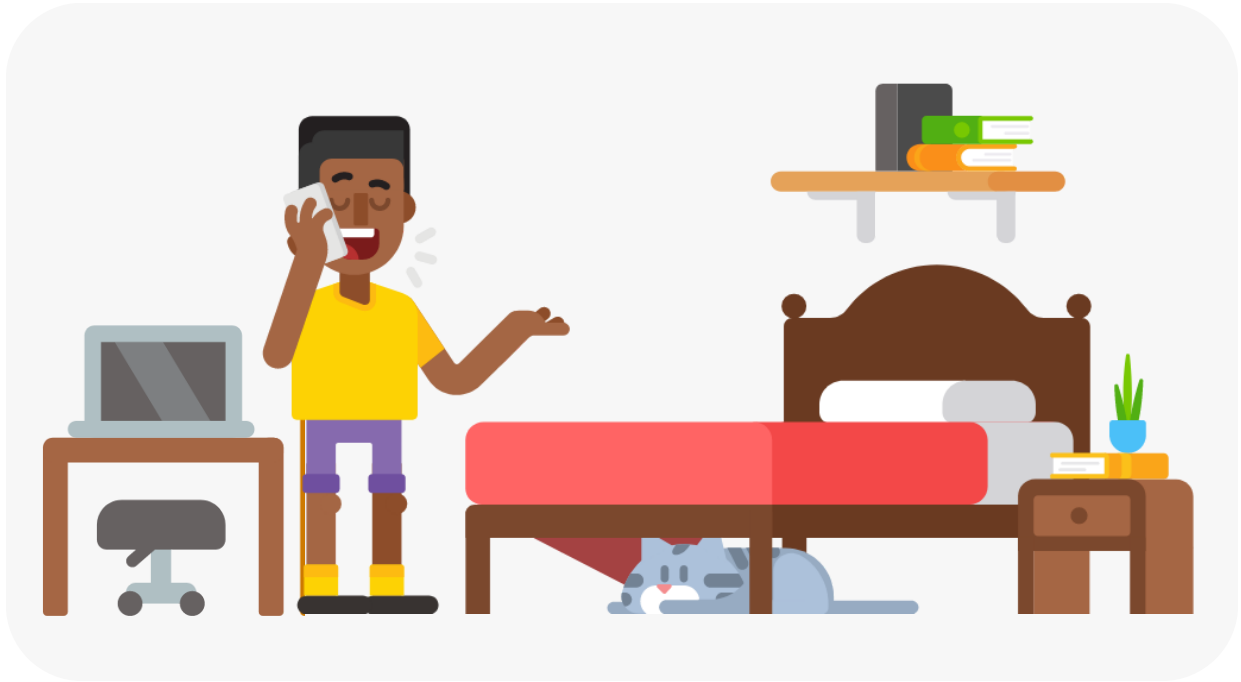

picture card

Label the picture and then use the words in a shared writing with a partner, group, or entire class.

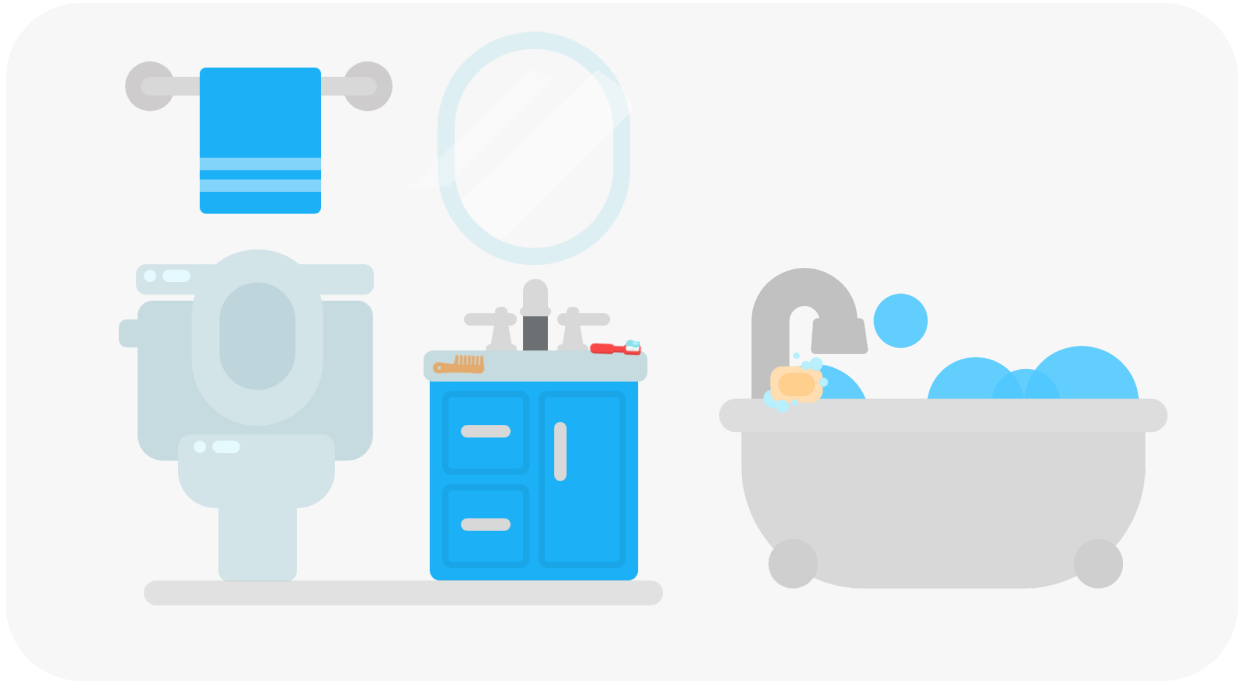

picture card
